

“THE WORKS” REWARDS PROGRAM

WORKS REWARDS, Our Pharmaceutical Rep Rewards Program. It's simple.

You earn 1 point for each dollar of food ordered (taxes and tips not included). These points will be redeemed for gift cards. Monday and Wednesday are our **DOUBLE REWARDS** days in which you will receive 2 points for each dollar of food ordered (taxes and tips not included).

It's easy. There is no sign up application. If you place a catering order with us after August 1, 2007 you are signed up.

This is how our program works:

- Every new rep that places an order of \$100 or more will receive a \$25 American Express Gift Card for their first order.
- After your first order we will then start to keep track of your orders and the points will just add up (the points from first order are included).
- For every 500 points you receive a \$25 gift card.

In addition too our catering program we will also be offering extra points and gift cards for referrals. Just by spreading the word around to other reps you can earn extra points and gift cards.

- For every new referral that places an order of \$100 or more they will receive a \$25 American Express Gift Card.
- The rep that gets credit for the referral will receive an extra 100 points.
- For every 5 referrals that place orders that rep will receive a \$25 American Express Gift Card.

The only information that we will need from you is:

- Name
- Company Name
- Phone Number
- Email
